

FREEDOM BAGS

WOMEN

As women come in to Call to Freedom's ministry, often with no possessions, they receive a gift of a Freedom Bag that includes essential items. They are immediately shown love and support as they begin to transition out of the lifestyle of exploitation and abuse. When a person is referred and comes into Call to Freedom's program, they are treated with the dignity and the honor they deserve.

How do you make a Freedom Bag?
Start with a large bag and fill it with the listed items.

For a woman's bag, please choose a tote bag/zipper bag/backpack that has strong handles and could hold a number of items. Please label with size and gender.
